Chief of Police
Donna Lyczkowski
Riverhead Youth Bureau
STUDENT LIASONS
Skye Owen
Kymberlee Stephens
Natashia Brown

One Town – One Family Food Drive

The Town of Riverhead and the Riverhead Youth Bureau will be partnering with Riverhead Library and the Council for Unity Family- Community Chapter to sponsor a town-wide food drive. Many families are struggling due to the current economic situation. As a result, the many food pantries and sources for help are not able to meet the demands.

We need canned goods and all kinds of packaged foods, in addition to diapers, toiletries, (small individual sizes), soap, baby wipes.

Donations to this One Town-One Family Food Drive can be made at the following locations: Riverhead Library, Riverhead Town Hall, and at all Youth Bureau program sites. The Council for Unity will be coordinating food drop off points at Riverhead High School and Riverhead Middle School. The food drive begins on November 1 and continues through November 30, 2008.

All donations will be collected by volunteers and brought to the Library where they will be distributed to local food pantries on a weekly basis beginning the second week in November.

Look for the One Town – One Family logo on boxes at the above locations.
